TACTICAL SKILLS
BUSINESS ENHANCER

APPLICATIONS FOR 2022-23 PROGRAM OPEN APRIL 18

MISSION AND OBJECTIVES

Leadership Duluth aims to unite, equip, and empower emerging leaders to foster change within their workplace and community by educating participants about Duluth's cultural and business history, and current issues facing the region. Participants receive a cumulative review of the elements of a strong community and how their leadership can create opportunities within a business and cultivate a bustling economy.

Throughout the program, participants engage with regional stakeholders, build access to local organizations and institutions, gain industry and community awareness, and create lasting relationships with class members, area leaders, local businesses and organizations, and Leadership Duluth underwriters.

PROGRAM STRUCTURE

Leadership Duluth is a 10-month program composed of a series of tactical and educational courses that examine the inner-workings of economic elements and how each contributes to the Duluth area's overall health. Participants commit to one full-day of learning each month to discuss relevant topics such as:

- Leadership Philosophies
- Social Challenges
- Economic Development
- Arts and Tourism
- Health Care
- Courts and Law
- Policy, Advocacy, and Education
- Environment and Sustainability
- Transportation and Infrastructure

LEADERSHIP DEVELOPMENT

Leadership Duluth participants are tasked with organizing, implementing, and completing one service project to benefit a local nonprofit organization. The service project allows class members to demonstrate their leadership competencies developed throughout the program and reflect upon the contributions they make in our community. Participants will be asked to share their service project progress, and present their personal and business intentions for the future.

As a result of completing Leadership Duluth, graduates exercise new critical thinking skills that bring heightened value to their workplace and become active community leaders.

APPLY FOR 2022-2023 LEADERSHIP DULUTH

Program extends August 2022 through June 2023

Investment: \$1,525 Employees of Chamber Member Organizations; \$1,925 Non-Members.

APPLICATIONS AVAILABLE ON WWW.LEADERSHIPDULUTH.COM

Completed applications, one letter of recommendation, and application fee of \$30, are due by 3:00 PM on June 30, 2022. Questions? Contact Martha Bremer, Director of Leadership Duluth, at mbremer@duluthchamber.com.
