# I STAND WITH KIDS

## SEPTEMBER IS I STAND WITH KIDS!

.....  
1 in 10 children will be sexually abused before their 18th birthday. Prevention is critical.  
.....

Our comprehensive prevention strategy includes increasing caregivers' awareness and knowledge of protective measures they can take. Together with our Child Abuse Prevention Coalition, we provide a powerful public education message encouraging society to recognize that child sexual abuse is both everyone's problem and everyone's responsibility.
