

| CLIMATE | | | POPULATION CHARACTERISTICS | | | | | |
|---|--|--|---|-----------|---------|--------------------|----------|-------|
| The proximity of Lake Superior, the largest of the Great Lakes, modifies local weather, causing cooler summer temperatures, warmer winter temperatures and a low frequency of severe storms. | | | City of Duluth Population (2010 Census) | | | | | |
| | | | Race | Number | Percent | | | |
| | | | White | 77,968 | 90.4% | | | |
