

Leadership Styles Day February 7, 2024

What is Leadership Styles Day?

We will explore the various approaches to leadership styles, from servant leadership with our military, to a more collaborative global economic leadership style through aviation. We will also tour STARBASE Minnesota-Duluth to learn their leadership styles with youth in STEM.

Locations:

Morning

- **148th Fighter Wing, Air National Guard Base, 4680 Viper Street, Duluth**
- Please note: The 148th is a secure military installation. We recommend arriving AT LEAST 10-15 minutes early to get through security. All attendees should be prepared to show their driver's license upon arrival.
- No cameras or cell phones will be allowed during any of the tours throughout the day.
- We will be doing a lot of walking on the base.

Afternoon:

- **Cirrus Aircraft, 4515 Taylor Circle, Duluth**
- **Parking:** Park in the parking lot across the street from the main entrance (4515 Building). You will need to present your ID for the tour.

Dress Code:

Casual. Dress in layers and wear flat-soled, closed-toe casual shoes or boots. Both tours require walking. During our first tour of the day participants will spend up to thirty minutes outdoors. Please dress accordingly.
